I strive to continuously improve my skills and knowledge to make meaningful contributions to the IT industry .

EDUCATION

- Web Development Course**
Navgurukul Campus Dharamshala, Himachal Pradesh .
🔗 <https://www.navgurukul.org/>
- (July 15, 2021 - December 31, 2022)
- Veer Bahadur Singh Purvanchal University Jaunpur, U.P. , India Pin : 222003**
Graduation , Bachelor of Commerce (B.com)
- (July 20, 2017 - October 16, 2020)

INTERNSHIP AND BOOTCAMP

- Internship (AP-GROUP Company)**
The completion of a 2-month internship program at AP-GROUP Company located in Shahibag, Ahmedabad, Gujarat 380004, provided an opportunity to learn the basics of React.js. In addition, a website was created using HTML, CSS, Bootstrap, and React.js during the internship .
- Bootcamp (Mindgrep Technologies Private Limited)**
Having completed a 2.5-month bootcamp, the basics of the Godspeed framework and YAML language were learned during the program .

ACADEMIC PROJECTS

- Mini_E-commarce_with_prisma**
The completion of a project utilizing Prisma ORM, EJS, Express, Cloudinary, and both front-end and back-end development has made me ready to work in this field .
🔗 https://github.com/Amit-Yadav21/Mni_E-commarce_with_prisma
- Scraping data with Nodejs**
The project involved the utilization of Axios, Cheerio, CSV, and fs. Data was scraped and converted into a CSV file using Cheerio. Additionally, data was fetched with the help of Axios .
🔗 https://github.com/Amit-Yadav21/scraping_data_with_nodejs
- CRUD operation with MSQl database**
During this project, the goal was to learn how to connect a MySQL database with Node.js and implement CRUD operations. Several tools, such as Knex.js, a SQL query builder, MySQL, Express.js, Nodemon, and Postman, a tool for testing APIs, were utilized throughout the project.
